## *Chamber Music and Masterclasses:*

*The following are optional – please check the box if you are interested.*

- I am interested in participating in **chamber music** sessions during the year. I understand that chamber music rehearsals meet outside of normal Youth Symphony rehearsal times.
- I am interested in participating in **masterclasses** during the year. I understand that not everybody will be able to participate in the masterclasses, but if possible, I would like to be considered for a masterclass. I understand that I may be asked to audition for the masterclasses.
