

# Napa Valley Youth Symphony

## 2012 NVYS Central European Tour Fundraising Worksheet

Total listed tour cost:	\$3,499	(cost for accompanying members)
Successful Red Gala 2011	- \$500	<i>Already done!</i>
Successful Red Gala 2012	- \$500	<i>Maybe more!</i>
St. Helena bumper sticker fundraiser	- \$100	
Paris vacation drawing	- \$200	<i>Goal to sell 20 tickets at \$20/each – 50% to student</i>
<b>Total cost per student after group fundraising goals</b>	<del>\$3,499</del> <b>\$2,199</b>	

### Examples of additional individual fundraising

#### *Example #1 of individual fundraising*

Red Gala \$500 sponsorship	- \$250	<i>After first \$250, all fundraising (except drawing) goes towards your child's tour cost</i>
¼ page ad sale	- \$125	
5 entry-level tickets to Red Gala	- \$125	
<b>Total cost per student after this example of selling one sponsorship, one ad, and five red gala tickets</b>	<del>\$3,499</del> <del>\$2,199</del> <b>\$1,699</b>	

#### *Example #2 of individual fundraising*

Full page ad sale (\$500)	- \$250	<i>After first \$250, all fundraising (except drawing) goes towards your child's tour cost</i>
¼ page ad sale	- \$125	
full page ad sale	- \$500	
½ page ad sale	- \$250	
¼ page ad sale	- \$125	
<b>Total cost per student after selling five ads</b>	<del>\$3,499</del> <del>\$2,199</del> <b>\$949</b>	

### *Your example of individual fundraising – what do you think you can do?*

Remember, after first \$250, all fundraising (except drawing) goes towards your child's tour cost

For every:

Full page ad sale	subtract \$500	
½ page ad sale	subtract \$250	
¼ page ad sale	subtract \$125	
\$1,000 Red Gala sponsor	subtract \$1,000	
Ticket sold	subtract that amount	

### Try it!

*Student cost before individual fundraising: \$2,199*

# Full page ad sales I can sell _____	x	\$500	=	
# ½ page ad sales I can sell _____	x	\$250	=	
# ¼ page ad sales I can sell _____	x	\$125	=	
Sponsorships I can sell _____			=	
Tickets I can sell _____			=	

**New reduced total: \_\_\_\_\_**
