

NAPA VALLEY YOUTH SYMPHONY

2017-18 Lesson Scholarship Application

NVYS knows that private music lessons are key to the success of our musicians and our ensembles and we encourage all musicians in our program to take private lessons. Thanks to a generous donation from **Music in the Vineyard**, NVYS can offer a limited amount of partial lesson scholarships to NVYS and Sinfonia musicians.

If you are interested in receiving a partial lesson scholarship please complete the application below. The completed application must be returned on or before **August 26, 2018** via email to Shelley Surh at ssurh@nvys.org.
